Cord: 200 cm, White
Can the cable be replaced? Yes
Switch on the fixture
G9, Max. 28W, Light source not included

Area: Indoor
Energy class A++ - D

The Strap series is a highly qualified contribution to the Scandinavian design tradition. The name relates to the design's characteristic leather suspension, which is included in both black and as naturally coloured. All at once, Strap has both a classical and an industrial look which springs from the beautiful, natural materials; metal and leather.
