Cord: 250 cm, Black
Can the cable be replaced? No
Switch on the fixture
E14, Max. 40W, Light source not included

Area: Indoor
Energy class A++ - D

An irresistible trend which is perpetuated and made even more pronounced is the use of glass in the decor. Sence is a highly decorative series of glass lamps. The choice of materials and design makes the lamp's expression one of accomplished handicraft, while the tinted glass gives the light a beautiful glow. Sence is sure to do well in any decor. Design by Maria Berntsen
