With its taut, modern shape, Step has a crisp look and is reminiscent of steps on a familiar flight of stairs. Step has a raw, powder-coated surface and is available in three different sizes and shapes, changing the light fixture's expression significantly. With an extremely beautiful and decorative brass detail, the socket has been made a substantial and bearing part of the design, completing the light fixture's overall expression and contributing to one of the great trends of the day; shiny metals.
